ARKANSAS—Partly cloudy this afternoon, tonight Thursday. No important change in temperatures.

Temperatures
Experimental station report for 24-hour period ending at 6 a. m. Wednesday, High 94 and Low 81.

\$1.4 Million in Road Work for This Area

This section of Arkansas is in line for some 42.2 miles of paving which will cost an estimated \$1,480,000, all programmed and approved by the Arkansas Highway Commission.

The roads are as follows:
Nevada and Hempstead, 9.1 miles west of Prescott to Blevins, Highway 24, \$243,000.
Howard, 9.5 miles on the Mineral Springs to Saratoga road, Highway 55, \$566,000.
Nevada, 10.8 miles from Rosston to the Columbia County line, Highway 19, \$523,000.
Nevada, 12.8 miles from the Hempstead County line to Rosston, Highway 4, \$407,000.

In each project the Arkansas Commission has called for donation of rights-of-way by counties.

Ives Seeks Harmony of Congress

By JACK BELL

WASHINGTON (AP) — Sen. Ives (R-NY) urged today that Republicans seek a "common denominator" with the Democrats in an effort to avoid a political fight in Congress over Taft-Hartley Act revisions.

Ives said in an interview he believes President Eisenhower's 1952 campaign promises for changes in the act can be achieved only through Democratic help.

"If the Senate Labor Committee doesn't limit any bill it brings out to proposals on which the Republicans and Democrats can agree, it will be an unwise move," he said.

"I do not believe in having either a Republican or a Democratic bill. Any such measure would only come back to plague those who sponsored it. We must find a common denominator with the Democrats."

Ives, who worked closely with the late Sen. Taft (R-Ohio) on proposed revision of the act, said he does not believe Congress will be willing in the next session to change the national emergency provisions of the present law, under which such strikes are banned for at least 80 days.

Ives has proposed an amendment which would outlaw strikes in major industries whenever the President declares a national emergency, but he said he would not push this proposal.

Ives said he and Taft had reached agreement before the latter's death on proposals which would legalize the closed shop in certain industries — construction, printing, shipping, amusement and some others.

He said he thinks the Senate committee could agree on amendments to permit some forms of secondary boycotts to allow striking workers to vote on union representation and to define state and federal government jurisdiction in the labor field.

The New York senator said he favors extending the anti-Communist oath requirement to employers. It applies now only to union officials.

Ives' call for cooperation with the Democrats emphasized the belief of some Republican leaders that their party will be risking whatever labor support it has been able to accumulate if it opens the Taft-Hartley Act.

Warm Weather in Prospect

By United Press

Warm weather continued over most of the country today as widely scattered showers brought one-half to almost three inches of rain in areas from Texas to northern Florida.

During a six-hour period early today 43 inches fell at Houston, Burnwood, La., recorded 2.90 inches during 24 hours.

The Rio Grande International river that was so dry a month ago children could walk across it created at 144,000 gallons of water a second last night.

Five French Commies Freed

PARIS (AP) — A grand jury has temporarily freed five French Communist leaders arrested 10 months ago on charges of plotting against the security of the state. The jury says their continued stay in jail is not essential to the investigation of their cases, which have not yet come to trial.

The men are Alain Le Leap, secretary general of the Communist General Confederation of Labor (CGT); Andre Stille, chief editor of the Paris Communist newspaper "Humanite"; Lucien Molino, a secretary of the CGT; and Guy Ducucue and Paul Laurent, directors of the Union of Communist Youth.

Demonstration on Quality Calves Set August 29

As a follow-up of the demonstration of the pasture and feed crops committee of the County Agricultural Planning Committee, a demonstration on quality calves and good pastures will be given Saturday morning, August 29 at 9 a. m. at the Ned Purdie farm, east of the Experiment Station on old 67 road.

Mr. Purdie will show calves shied alike, but that will grade differently because of the quality of the cow. The pastures are Dallis grass and clover. Oats overseeded with lespedeza supply grain, straw, winter pasture, late summer pasture, and hay.

All Hempstead County Beef Producers are invited to this meeting. Beef producers desiring additional information on this field meeting should contact county agent Oliver L. Adams.

Refuse to Answer, Heads for New Test

By ED CREAGH

WASHINGTON (AP) — That now-familiar refrain, "I refuse to answer on the ground it might tend to incriminate me," appears to be headed for a new test in the courts.

Sen. McCarthy (R-Wis) is threatening a court test in an attempt to limit the situations in which it may be used.

Countless times since Congress began looking into subversive activities one witness or another has given this response instead of answering questions about alleged Communist or pro-Communist activities.

They have succeeded in avoiding answering the questions. The Fifth Amendment to the constitution forbids compelling anybody to testify against himself.

McCarthy, chairman of the Senate investigations subcommittee, is vacationing on the West Coast. Before he left Washington, however, he laid the groundwork for a court action to define the circumstances under which a witness may properly decline to answer.

The Wisconsin senator did this in questioning the wife of Edward Rothchild, the now suspended Government Printing Office bookbinder who has refused to say whether he was a Communist or whether he ever sold secret documents from the GPO.

Schedule for Open of Hope Negro System

The schedule for the opening of Hope Negro Schools is as follows:

Tuesday, September 1, 10 a. m. General Teacher's Meeting, Yerger Library.

Wednesday, September 2, 10 a. m. 12 noon, Teachers report to their respective schools and arrange the classrooms.

Wednesday, September 2, 12:30 p. m. General Teachers meeting, Yerger Audio Visual Room.

Thursday, September 3, 9 a. m. Registration, Grades 1-2-3, 7-9-9.

Friday, September 4, 9 a. m. Registration, Grades 4-5-6, 10-11-12.

Friday, September 4, 1 p. m. Teachers' planning conference in the Yerger Audio-Visual Room.

Parents are requested to present birth certificates for pupils enrolling in school for the first time.

Busses will run on the morning schedule September 3 and 4 for pupils' registration.

Regular bus schedules will begin September 7.

Regular classes will begin September 7.

The school lunch room will open September 7. The price of meals will be 20c a meal or a five-day meal ticket for 75c. This cut is made in price in the hopes that more pupils will take meals in the lunch room. Parents are welcome to visit the school and observe the type of meals served.

All parents are invited to come to a school-community meeting on Thursday night, September 3, at 8 p. m. at Yerger Auditorium. The school's program, policies and practices will be explained and patrons may ask any questions for information regarding the school program. This is an effort to better acquaint the parents and community with their school.

150 More U. S. Prisoners to Be Freed

By The Associated Press

One hundred and 50 more Americans on the Korean prisoner exchange list for tonight. And there is an indication from the Chinese Communist radio that the Reds may return in all more than the 2,313 Americans they originally promised in the Panmunjom exchange, Radio Peiping (Bay-Ping) says the Reds have been adding newly captured prisoners to the list.

Two of last night's 133 American repatriates say some fellow Americans who received prison terms for alleged crimes are in a Red holding camp awaiting repatriation. Their return would be an apparent switch in the Communist attitude toward prisoners sentenced for such alleged offenses as instigating against the peace. There is no comment on the development from the Allied Base Camp at Munsan.

Stenographer Seized in Slaying

NEW YORK (AP) — A sobbing Massachusetts stenographer after hours of protesting her innocence, early today admitted the slaying of her former boy friend's teenage sister, Massachusetts police officers said.

Detective Lt. David Murphy, a Massachusetts state trooper assigned to the Middlesex County District attorney's office, said pretty Mildred McDonald, 25, had signed a written statement admitting she shot Mary Di Rocco, 14, in the Di Rocco home in Somerville, Mass., Monday.

Miss McDonald, also of Somerville, was arrested here last night by a traffic officer near Times Square after he recognized her from pictures in a newspaper. Police in Somerville started a search for her soon after the body of the teen-ager was found Monday. The slain girl had suffered five bullet wounds while a sixth shot went wild; her throat was slashed and her clothing was covered with oil. Police said the slayer apparently had tried to sell her body alive.

Miss McDonald—dated for three years by one of the slain girl's brothers, Joseph, who married another girl last April—was questioned first by New York City police officers and then the Massachusetts police.

About dawn, New York detectives came out of the huddle and told newsmen she was meeting their questions with repeated pleas of "I didn't do it."

Then scarcely an hour later came the break, announced by the Massachusetts officer, Murphy.

Murphy said the slaying was the apparent result of fear, nervousness and anger. He said Miss McDonald admitted going to the Di Rocco home and that she said she planned to talk to Joseph's mother about him.

However, Murphy said, Mary was the only one home. The officer quoted Miss McDonald as saying she talked with Mary, who commented on the happy marriage of her brother. This comment angered Miss McDonald, Murphy said. He went on with this story:

The father, Angelo Di Rocco, arrived home a short time later, ate lunch and left.

Minutes later Mary ordered Miss McDonald from the house and threatened to call for help if she stayed. Incensed, Miss McDonald suddenly drew her gun and ordered Mary into a room.

She made the teen-ager a virtual prisoner, watching over her as she twice answered telephone calls from a cousin.

Then, fearing Mary had managed to give the cousin a warning, Miss McDonald started shooting when she thought she heard someone at the door.

Planes Collide, Pilots Missing

TOKYO (AP) — Two U. S. F80 Shooting Star jets collided today off the coast of Kyushu.

One pilot is missing. His name was withheld.

Japanese fishermen rescued the other, Lt. Robert Jenks of Romeo, Mich., who bailed out.

66 MORE CASUALTIES

WASHINGTON (AP) — The Defense Department today identified 66 additional casualties of the Korean fighting that ended July 27. All were counted in the preliminary casualty total for the war announced by the Pentagon Aug. 19. The new list (No. 888) included 15 killed, 46 wounded and 5 injured.

Ex-Legislator Files Warrants Against Two Game Wardens for False Arrest Here Today

First Methodist Youths to Hear Texarkanian

Intermediates of the Methodist Church will hear Miss Ruth Nolze, of Texarkana, Wednesday evening, when she brings the second lesson in the course "Boy-Girl Friendships."

Supper will be served by Mrs. Weir Owens, Mrs. Wade Gilbert, Mrs. Leland Warmack, and Mrs. Forest Hair, Mr. and Mrs. Elmer Brown will lead the group singing, and a Treasure Hunt will be enjoyed.

At 8:30 Miss Edith Massey, director of Speech Therapy for the Houston Texas Public School System, will speak on the subject "How Far Are You From God?"

Dividing Lines for Local Schools

James H. Jones, Superintendent of Schools, announced today the tentative dividing lines for elementary schools for the year 1953-54.

All patrons are asked to cooperate by sending their children to schools designated. The dividing lines are worked out according to the pupil load in each school. Officials would like for all pupils to go to the school that is most convenient for parents, but sometimes a shift has to be made to have a balanced load in all schools.

Where there are two or more children in the same family, officials will try to assign them so they can attend the same school. Tentative dividing lines are as follows:

Paisley School — 1st through 6th grades — There will be one division of each grade in Paisley School. All pupils from the first to the sixth grades, inclusive, residing north of the Missouri Pacific Railroad and west of the Frisco Railroad will attend Paisley School. All transported pupils on the Washington Highway and the Proving Ground area will attend Paisley. Some students on Highway 29 and the Spring Hill Road will attend Paisley. There will probably be a shift of other transported students to this school.

Oglesby School — 1st through 6th grades — There will be one division of each grade at Oglesby. All pupils from the first through the sixth grades residing north of the Missouri Pacific Railroad and east of the Frisco Railroad will attend Oglesby School. All transported students on Old Highway 67 north toward Emmet and Providence area will also attend Oglesby grade school.

Brookwood School — 1st through 6th grades — All pupils residing south of the Missouri Pacific Railroad and east of South Main Street will report to Brookwood School. (The following applies to second graders.) All 2nd grade children east of the Louisiana & Arkansas Railroad will report to Brookwood School. All transported students from Rocky Mount and Centerville will attend Brookwood School. One bus from Shover Springs area will probably be shifted to Brookwood. Some 4th and 5th graders between South Walker and Main will have to be shifted to Garland.

Garland School — 1st through 6th grades — All pupils from the first through the sixth grades residing south of the Missouri Pacific Railroad and west of South Main will have to be shifted to Garland.

Hope Jr.-Sr. High School — 7th through 12th grades — All students of the Hope School District 1-A from the seventh through the twelfth grades will attend Hope High School.

Fulton School — 1st through 6th grades — All students in the Fulton district, first through sixth grades, will attend Fulton School. The seventh and eighth grade students will be brought to Hope along with the ninth through twelfth grades.

It may be necessary to make other shifts after school opens such as moving the lines of streets or shifting of busses in order to balance the load in the schools.

The dividing lines for the Negro schools that will attend Yerger elementary and Hope will be announced by Will V. Rutherford, Principal of Yerger Schools. The seventh and eighth grades from Fulton will attend Yerger High School. The Negro elementary children in the Fulton area will attend the Fulton Elementary School.

Bodcow Club to Meet Thursday

There will be a covered dish supper and meeting of the Bodcow Rural Improvement Club at 7:30 p. m. Thursday, August 27, at the high school. It was announced by Mrs. Elmer May.

May Keep Phone Tieup From Spreading

By The Associated Press

The threat of a nation-wide tieup of long distance telephone facilities over wage-control issues appears to have eased off. A union spokesman in New York says no strikers are seeking a peaceful settlement of the dispute. And another spokesman who said earlier that there was a threat of a walk-out, now says any immediate walk-out by his local is hardly likely.

For some time now, workers have been on strike against the Indiana and Southwestern Bell Telephone companies.

Some 300 CIO workers went off their jobs in parts of Maryland today. But a union spokesman says their action was merely a demonstration of strength and will end tonight. The 300 are only a small segment of Maryland's 8,100 union telephone workers.

Suggests U. S. Merge Its Forces

By LEWIS GULICK

WASHINGTON (AP) — Gen. Omar N. Bradley says America's civilian and military leaders soon must make decisions in the battle of science with Russia that will affect "our very survival as a nation."

New weapons are so important, he declared, that they "are beginning to shake the present division of functions between the Army, Navy and Air Force."

He urged fuller use of scientific advances through giving scientists a larger share in strategic planning, including advice to the Joint Chiefs of Staff.

Bradley's views—in brief, that the country's best protection lies in boosting its scientific and technological lead over the Soviets—were carried in an article in the issue of the Saturday Evening Post out today.

The 60-year-old career soldier retired Aug. 13 as chairman of the Joint Chiefs of Staff. Now he is head chairman of Dulova Research and Development, Inc., where he expects to use his knowledge to see that military problems needing scientific and research solutions are passed along to the scientists.

"Soviet technical progress, like ours, is moving at an ever faster tempo," Bradley wrote. "As the pace gets hotter, the choices of what we must do become harder. Some of these choices, touching the question of our very survival as a nation, now loom close ahead of our civilian and military leaders."

Bradley listed among urgent problems facing U. S. leaders:

1. Giving more atomic information to U. S. allies, because at present "we can give our most trusted allied friends only meager information about weapons on which their survival as well as ours may depend." While certain secrets must be kept, Bradley said, "there is other atomic information, restricted by law, which would be immensely useful to our allies, and yet would not benefit the Soviets if they learned it."

Hot Springs Votes New Sewer Project

HOT SPRINGS (AP) — Hot Springs' antiquated sewer system will be modernized soon with the proceeds of a \$985,000 bond issue which was approved in a special election here yesterday.

In one of the largest turnouts in Hot Springs' history for a special city election the proposal was approved 3658 to 880.

The voting climaxed an intensive campaign in which civic leaders and politicians who do not always agree joined in urging the issue's approval.

City officials had warned that continuation of the present sewage disposal method which had polluted Lakes Hamilton and Catherine would turn this resort city into a ghost town.

The bonds will be paid off by increasing the water rates 50 per cent of bills paid during the winter season months. The increases will be collected 12 months out of the year.

Man Drowns, Death Toll Reaches Four

By The Associated Press

A runaway motorboat yesterday went to four this week's total of violent deaths in Arkansas.

Alonzo Grove, 44, a plantation mechanic at Altheimer, drowned in a small lake eight miles east of there late yesterday afternoon.

Witnesses said Grove was thrown from the motorboat and was swimming towards shore when he suddenly slipped beneath the water.

Dr. Thomas Burford pronounced him dead of drowning when the body was pulled from the lake 45 minutes later.

Accident Fatal to Husband of Emmet Woman

Mr. and Mrs. C. A. Murrah of Emmet have received word that their daughter's husband, S-Sgt. Earl Stone, was fatally wounded in an accident at Scott AFB, Illinois. Details of the accident could not be learned.

Mrs. Stone is the former Jessie Murrah of Emmet. While Sgt. Stone served 18 months overseas she was employed at Murland Clinic in Hope.

Mrs. Stone and young son, Robert, will make their home in Emmet.

Voting May Start Soon on UN Issues

UNITED NATIONS, N. Y. (AP) — The U. N. Assembly's Political Committee took up separate resolutions on proposed amendments of the Korean peace conference today. Voting on the proposals may begin tomorrow.

It devoted its morning session to the United States-backed 15-power resolution to send U. N. belligerents to the U. N. side, and separate resolutions calling for Russia to participate in Red China and North Korea want it and for India to go to the conference as a neutral.

The United States opposes the resolution on India.

U. N. officials believed a vote was possible today but more likely would come tomorrow.

The committee arranged to recess this afternoon while the Security Council met on Arab-Ashian nations' complaints that France had illegally removed the Sultan of Morocco from his throne. The United States and France in voting against putting the complaint on the agenda, virtually dooming it.

In the face of U. S. opposition to India's attending the Korean peace conference, Indian Delegate V. K. Krishna Menon said yesterday his government was ready to serve if its work would be considered useful. He did not withdraw India's candidacy.

Malenkov Believed in Full Charge

WASHINGTON (AP) — Russian experts said today Premier Georgi M. Malenkov seems to be slowly tightening his grip on the reins of power in the Kremlin.

They said Soviet army leaders, who might have overthrown Malenkov in the backstage power struggle set off by Stalin's death, now appear to be losing ground.

Nikita S. Krushchev, who didn't get on too well with Stalin at times, is edging his way up and looks to be the No. 2 man after Malenkov. His stature has increased following the downfall of Lavrenti P. Beria, purged secret police chief.

Foreign Minister V. M. Molotov, the "old Bolshevik" comrade of Stalin, is still running No. 3.

But Lt. Gen. Vasily Stalin, son of the former dictator, has dropped out of sight despite his rumored marriage to Svetlana Molotov, the foreign minister's daughter.

That is the picture shaping up in the minds of experts who keep a careful watch on all shades of evidence related to Soviet affairs and the status of the power struggle for Stalin's crown.

CHOOSE NAME

THAUSANNE, Switzerland (AP) — Charlie Chaplin's new eight-month baby boy has been named Eugene after Mrs. Chaplin's father, the late Eugene O'Neill, playwright.

All Around the Town

By The Star Staff

Residents of Hope will be happy to learn that Mr. and Mrs. H. C. Murphy have heard in a roundabout way that their son, Lt. Max Murphy, has been seen alive and in good health in a Chinese prison camp . . . they never definitely knew before, only hoped . . . Lt. Murphy's fiancée telephoned a released prisoner who told her he had definitely seen Max in a camp and that he was in good health, recovering from an arm wound . . . indirectly they had heard a couple of times that Max was a prisoner and are elated in having the reports confirmed . . . now ahead of them is the agonizing hours of waiting until he is released . . .

soon as possible.

On the subject of road work this section is getting a good share of proposed projects listed by the Arkansas Highway Commission: No. 4 from Hempstead line to Rosston; No. 24 from Prescott to Blevins; Highway 55 from Mineral Springs to Saratoga; and Highway 19 from Rosston to the Columbia County line . . . the only catch is rights-of-way must be furnished by counties where changes are needed . . . here is hoping that all counties of the area will cooperate in every possible way as we feel sure residents along the routes will . . . it would be a shame to miss a good road through pettiness.

State Patrolman Travis Ward notified today that driver's license tests will be given as usual each week but the day has been changed to Friday starting on September 4 . . . the tests will be given this Saturday, Sept. 20, as usual but the change is effective the following week.

Cost of Living Reaches a New All-Time Peak

WASHINGTON (UP) — The government reported today that the cost of living climbed to a new all-time peak in mid-July. This month an estimated 1,000,000 auto workers will get an automatic wage increase of one cent an hour.

It was the second all-time peak for living costs in two months.

Chrysler and other auto manufacturers will become effective with the first pay raise after Sept. 1. Rising prices for food, housing and medical care and transportation raised the Bureau of Labor Statistics consumers' price index two-tenths of one percent over the mid-June record. The mid-July index was 114.7 percent of 1947-49 prices.

A further increase of just one-tenth of one percent in the index would have meant a two-cent hourly pay raise for the auto workers whose contracts are tied to the rise and fall of the government's price report.

The Bureau of Labor Statistics said the now increase put the index 1.1 percent higher than it was five months ago — in February after which living costs started rising steadily.

The bureau said the largest increase from mid-June to mid-July was for housing and medical care, up three-tenths of one percent. This was due to rent increases in such cities as Atlanta, Cincinnati, Detroit, Kansas City and St. Louis. Household operations rose due mainly to higher prices for laundry and dry cleaning services.

3 Arkansans in Latest Switch

By The Associated Press

The Communists sent three more Arkansans back to freedom last night, ending a 22 night vigil for one family, happily stunning a widowed father, and making the family of the third "pretty happy about it."

The three were: Pfc. Lloyd Hardwick, the son of Marion Hardwick of Fort Smith; Sgt. Samuel E. Cosby, son of Mrs. Sallie Elizabeth Cosby of Camden; and Cpl. William C. Wood, son of William H. Wood of Batesville.

Hardwick may have bad news awaiting him.

At Fort Smith last night the elder Hardwick, a café employee, reported the freed POW's mother had died two years ago "and we don't know whether he knows it."

Hardwick's sister, Mrs. Gene Blumet of Delaware, Okla., wrote him of the death but Hardwick said none of the family knows whether the letter reached his son.

News that Wood had been freed climaxed 22 nights of watching the Associated Press teletype wire in radio station KFTA at Batesville for Wood's father and six other members of the family.

"You couldn't hear a thing in that studio when we saw his name," Wood, senior, exclaimed. "The past three years have been the longest of my life and these past 22 days have been the worst of it. Maybe I can get some sleep now."

At Camden Mrs. Cosby received first word of her son's release via radio while visiting at her daughter's home.

"We're all pretty happy about it," she said.

All three of the men enlisted in 1948 and were captured in 1950. Cosby and Wood were taken prisoner in July of that year. Exact date of Hardwick's capture could not be learned.

Juniors to Get Equipment Friday

Youths wanting to play Junior football are asked to meet with Coaches Byron Thompson and Lawrence Albritton at the dressing room at 8:30 a. m. Friday at which time equipment will be issued until 11:30.

Actual practice will get underway at 7:30 a. m. Monday, August 31.

"If a person uses his head he won't go over it in debt."

LITTLE LIZ

SOCIETY

Phone 7-481 Between 8 A. M. and 4 P. M.

Calendar

Thursday, August 27
City Scout watermelon supper will be held at Fair Park at 7:30 p. m.

Thursday, August 27
The monthly Ladies Bridge Luncheon of the Hope County Club will be postponed until Thursday, September 3, on account of the club house being painted. Hostesses will be Mrs. Dottie Day Booth and Mrs. Harold Brents.

The Hope Chapter of the Order of Rainbow for Girls will have its regular meeting Thursday night at 7:00. All members are urged to attend.

Monday, August 31
Circle 8 of the WBCN of the Methodist Church will meet Monday, August 31, at Fair Park at 6 p. m. for its annual picnic and treasure hunt. Hostesses will be Mrs. Charles E. H. Foster and Mrs. J. H. Linder. This is to be a picnic on a lovely picnic site (exceptional dessert). Roll call and paying of pledges will be the only business taken care of at this meeting. Members please be on time and will eat first and then have the treasure hunt.

Miss Betty Little in
Wed in September
Mr. and Mrs. C. O. Little of Hope announce the engagement and approaching marriage of their daughter, Betty Little, to Sgt. John J. Gidley, Jr., son of Mr. and Mrs. John H. Gidley of Little Rock.

The wedding will be solemnized September 14 in the rectory of the Catholic Church, Hope.

Miss Little is a graduate of Hope High School and of Arkansas Baptist Hospital School of Nursing, Little Rock.

Sgt. Gidley was graduated from Catholic High School, Little Rock and is now stationed with the U. S. Army at Camp Chaffee, Ark.

Doyle-Thompson
Wedding Held Sunday

The wedding of Miss Nelda Thompson, daughter of Mr. and Mrs. Joe Thompson of Memphis, Tenn., to Thomas A. Doyle, son of Mrs. Joseph Harold Doyle and the late Mr. Doyle, was a beautiful ceremony on Sunday afternoon, August 24. The Reverend S. A. Whitlow read the service at 2 o'clock at the First Baptist Church in the presence of a large assemblage of relatives and friends.

The double ring ceremony was

Gentry, Ellis Rothwell and Tom Ed Hays.

The bride, who was given in marriage by her father, chose a white Chantilly lace gown over slipper satin. The voluminous skirt which ended in a cathedral train was worn over hoops. The dress was fashioned with a bolero jacket of lace over a strapless fitted bodice outlined with a ruffe at the top. The gleaming short sleeves were accented with orange blossoms. A half-hat of Chantilly lace and satin caught the fingertip veil of illusion. The train of the hat was outlined with orange blossoms of tiny red pearls. The bride wore matching elbow length mitts accented with ruffles. She carried a bouquet of gardenias with cascades of stephanotis surrounded by white mums and a shower of satin streamers. The dress and veil were designed and tailored by the bride's aunt, Mrs. Owen Garrett of Prescott.

For her daughter's wedding Mrs. Thompson chose a host of bridesmaids and flower girls. Her bridesmaids wore of brown velvet. Her flower girls wore of pink Peruvian lilies. After the ceremony members of the wedding party and the parents of the bride couple formed a revolving line in the foyer of the church, where they received their guests.

The Hope Country Club was the scene for the reception of the wedding party, members of the family, and a few close friends. The bride and groom were seated at a round table with a white cloth and a centerpiece of yellow chrysanthemums flanked by crystal candle holders with glowing white tapers. The triple-tiered cake was embellished with gardenias and tipped by a miniature bride and groom under an archway of stephanotis and orange blossoms. The bride and groom were seated at a round table with a white cloth and a centerpiece of yellow chrysanthemums flanked by crystal candle holders with glowing white tapers. The triple-tiered cake was embellished with gardenias and tipped by a miniature bride and groom under an archway of stephanotis and orange blossoms.

Miss Mary Jo Fisher was maid of honor, and Miss Linda Thompson, sister of the bride, was junior bridesmaid. The bridesmaids were Miss Nell Casady, Miss Jan Moore, Miss Betty Ruth Sanders, and Miss Bonnie Snyder. The attendants were seated in identical flower length models of yellow nylon net over tulle. Their dresses were fashioned with a strapless bodice and skirt outlined with double ruffles. The complete-circle skirts had double ruffles beginning at the hip line and extending to the floor. The model of honor wore yellow short mitts and a yellow net and tulle picture hat. The other attendants wore yellow net and tulle picture hats and yellow short mitts of net. They carried colorful bouquets of purple asters and yellow mums tucked with white tulle and tied with purple satin ribbons. The bride and groom were also seated in identical models of the model of honor and the bridesmaids. Their flowers were wrist corsages of yellow mums and purple asters over yellow tulle.

Clyde Arnold, Jr., served the groom as best man. The ushers were Josie Duke, J. D. Ellen, III, Bill Dudgey, of Washington, Billy

Chas Jackson of Lamarque, Texas; Mr. and Mrs. Joe Taylor and Mrs. Dave Andrews of Camden; Miss Melba Doyle of Forrest City; Mr. and Mrs. J. B. Martin of Memphis, Tenn.; Mrs. Don Scott of Pasadena, Texas; Mrs. Floy Hicks of Gilbert of Oak; Mrs. Minnie Gilbert, Miss Ophelia Thompson, Mr. and Mrs. W. M. Thompson, Mr. and Mrs. Scott Ross and daughter, Jean, and Mr. and Mrs. Sidney Allen and daughter, Patsy Nell of Emmet; Mrs. Paul Edwards, Mrs. Harold Johnson, Mr. and Mrs. L. L. Mitchell, Mrs. Henry Thompson and children, Mary Beth and Henry, Jr., and Mrs. Owen Garrett of Prescott; and Mrs. Paul Shuckler of Shreveport, Louisiana.

Both Mr. and Mrs. Doyle are graduates of the 1933 graduating class of Hope High School. Mr. Doyle was co-captain of the Bobcat football squad, and Mrs. Doyle was drum major for the band.

Coming and Going

Janie Nelson of Texarkana has been visiting Mrs. Tom Garland and Mr. and Mrs. Ranny Garland and son, Tommy, of Emmet.

Mr. and Mrs. Ben Wilson and Mr. and Mrs. Earl Downs have returned from a vacation trip to Page.

PRESCOTT NEWS

Thursday, August 27

Mrs. D. L. McRae, Jr., and Mrs. T. M. Bennis will entertain with a morning party Thursday for the pleasure of Miss Rosanna Langley, bride-elect of Bob G. Todd of Abilene, Texas.

Bridal Shower Honors

Miss Rosanna Langley, bride-elect of Bob G. Todd of Abilene, Texas, was feted with a luncheon shower Friday evening by Miss Virginia Johnson at her home.

A table in the entrance hall held an arrangement of golden mums. Sweetpens were placed on the coffee table and an attractive bouquet of pink crepe myrtle and snow on the mountain graced the mantel. The honoree's chair was marked with a corsage of white carnations feathered with baby mums and as she entered the traditional wedding march was played by Miss Genevieve King.

In the bridal games that were played prizes were won by Miss June White, Miss Judy Gilbert and the bride-elect whose prize was her lovely gifts presented to her in a large basket.

After the gifts, were opened the guests were invited into the dining room where Miss Jo Carrington presided at the punch bowl and Miss Jean Gilbert served individual cakes in the bridal motif from the dining table overlaid with a white damask cloth and centered with a white bowl filled with yellow mums and daisies carrying out the yellow and green color theme.

Miss Sue Clark and Mrs. Dwight Pankey and Mrs. Clifford Johnson assisted in courtesies. Other guests attending included Mrs. J. H. Langley, mother of the bride-elect, Mrs. W. L. Britt, grandmother of the bride-elect, Mrs. Edward Bryson, aunt of the bride-elect, Misses Betty Wilson, Margaret Phillips, Joan Gilbert, Alma Lois Farrell, Mary Jewell Herring, Sharla Rae Evans, Mary Buchanan Ann Mitchell, Mary Beth Bryson, Mrs. Pat Combs and Mrs. Corbett Hale.

Presbyterians Have Pot Luck Supper
Members of the Presbyterian Church and their friends enjoyed a pot luck supper Friday evening at the church with 95 attending. The invocation was given by the Rev. W. G. Bousberg.

After supper Mr. Charlie Dows showed a film on Ferneliff where he was a counselor this summer and told of the activities at the camp.

Mrs. Robbie Wilson introduced the local guests and the following out-of-town guests: Miss Fay McRae of Little Rock, Miss Louise Ewing of Arkadelphia, Miss Eskridge Ruth Moore and Sammy Moore of Dallas and Miss Mary

high choice and prime 20.00-21.00; utility and commercial vealers 10.00-14.00.
Sheep 2.300; few small lots choice to prime spring lambs 22.00-23.00; but enough done to establish a price trend; undertone slow and bearish; current spring lamb prices, lowest of the season to date and lowest for spring lambs since September, 1949.

Record Number of U. S. School Students

By W. JOYNE MacFARLAN
WASHINGTON—Lee M. Thurston, U. S. commissioner of education, said today a record 30,949,700 children will enroll in schools and colleges during the 1953-54 academic year.

That would be two million more than the previous record of 34,900,000 set last school year.

Thurston noted the way the American people "are doing more than they have ever done before for the education of our nation's children," but in the same statement he said:

"This fall the United States will be short about 345,000 public elementary and secondary school classrooms. Three classrooms out of every five will be overcrowded. One out of every five pupils will go to school . . . in a schoolhouse which does not meet minimum fire safety conditions."

He also said school construction is not keeping pace with demands and not enough persons are being prepared to meet teacher needs.

The commissioner said it was estimated that private and public elementary schools will enroll 26,931,000 children this coming school year, with more than three million entering the first grade. Last year the enrollment was 25,349,000.

The estimate for all secondary schools is 3,502,000 pupils, compared with 3,029,000 last year and colleges and universities are expected to enroll 2,500,000 compared with 2,400,000.

"By 1960," Thurston said "it is estimated that there will be 10 million more pupils and students in our nation's schools and colleges both private and public, than there were last spring."

The commissioner said Americans taxed themselves about a million dollars more last year than the year before to provide for their schools; spent about 7 1/2 billion dollars to operate the public schools and construct new buildings; and increased the average salary of

Halloween Rough on Americans

FREEDOM VILLAGE, Korea

—Two returned American prisoners told today of a macabre Halloween night when North Korean Communists marched 750 men, women and children to the edge of a rock cliff and threatened to kill them all—then did not fire.

There were 750 captured prisoners of war and 30 civilians—priests, nuns and children.

The priests and nuns sang hymns and prayed. The children wailed. The guards leveled bug guns by flashlight and played the fiendish game for four hours before they marched the captives away.

Cpl. James E. Wilson, 22, of Chattanooga, Tenn., and Pfc. Richard S. Snyder, 22, Fayetteville, W. Va., told the story.

Both men were captured in July 1950, only a few days after they arrived in Korea with the ragged, outnumbered 24th Division.

the classroom teacher from about \$3,240 to \$3,400.

Last year about 50,000 new classrooms were built, compared with 47,000 the preceding year, to set new records, Thurston said, and another record of more than 50,000 new classrooms is expected this academic year.

Despite this, he continued, "school construction in the United States is not keeping pace with classroom needs. Increased enrollments, building deterioration and obsolescence will create the need for an additional 425,000 classrooms and related facilities by 1960. About 30,000 are in some stage of construction at this time."

He said the national total capital investment in elementary and secondary school plants is 16 billion dollars for public and 1 1/2 billion dollars for private schools with the colleges and universities having plants representing capital investment of 6 1/2 billion dollars.

"The number of persons being prepared as teachers is inadequate to meet teacher needs," he said. "Some 45,700 qualified graduates for the elementary field came out of the colleges this year. Since there is a need for 118,000 public elementary school teachers, the net shortage of qualified elementary schoolteachers this September will be about 72,000."

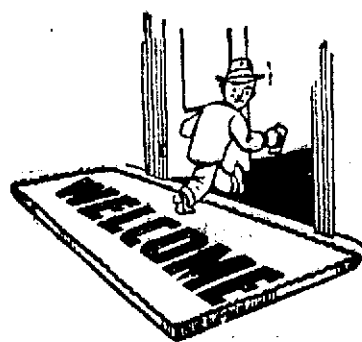

"This shortage can be overcome only by further overcrowding, or by recruiting into the elementary schools teachers whose qualifications fall short of desirable standards."

"By 1960," Thurston said "it is estimated that there will be 10 million more pupils and students in our nation's schools and colleges both private and public, than there were last spring."

The commissioner said Americans taxed themselves about a million dollars more last year than the year before to provide for their schools; spent about 7 1/2 billion dollars to operate the public schools and construct new buildings; and increased the average salary of

RAINS PREVENT MEETING
SEOUL, S. Korea — Heavy rains prevented President Syngman Rhee from flying here today from his summer retreat at Chinhae to meet Gen. James A. Van Fleet, former 8th Army commander. Van Fleet is with the American-Korean Four-nation mission to Korea.

Barto Hill Is Scheduled to Fight Here

Last night at the Coliseum Benito Mata put the decision over Sammy Baldwin in the weekly wrestling preliminary.

In the feature event Jimmie Lott was unable to fill a grudge challenge with Scotty Williams who fanned Frank Murdoch in a rounding match.

It was announced that Barto Hill of Bluevale would take on Jimmie Lott in next week's feature event.

Baseball Players Hit Commissioner

NEW YORK (AP) — J. Norman Lewis, the new lawyer of the major league baseball players, today shifted his attack from the club owners to Commissioner Ford Frick.

In fact, he says, Frick went back on his word.

"I don't mind him insulting me," Lewis said. "But it's really the players' job to make the grade."

Lewis was unhappy because he was not permitted to attend the meeting of baseball's Executive Council on Monday.

"That was a direct breach of an agreement I made with Frick," he said. "I had a letter from his attorney inviting me to the meeting and he called me on August 19 about the matter."

Lewis has been hired by the players to handle their demands to the owners. Alvin Karpis of the New York Yankees and Ralph Kiner of the Chicago Cubs, the 556 player representatives, had been acting as spokesmen for the players.

The next meeting of the Executive Council is scheduled for early October during world series time, unless Frick changes his mind.

Lewis will not attend. After bargaining Lewis from Monday's meeting, Frick said he had no intention of inviting any "outsiders."

The players reportedly are asking a higher minimum wage over the present \$5,000 and elimination of night games before getaway days.

Asked to comment on Lewis' complaints as to his treatment on Monday, Frick said:

"No comment."

Eleven Hurlers Have Chance at 20 Games

By BEN PHLEGAR
Associated Press Sports Writer

At least 11 pitchers still have hopes of joining Robin Roberts of the Philadelphia Phillies as 20-game winners this season, but most of them will need Lady Luck on their side to make the grade.

With less than five weeks to play, even Roberts, who at one stage probably a good bet to win 20, will probably consider himself extremely fortunate if he comes close to his last year's total of 23.

The strong-armed right hander posted victory No. 21 last night, just one day shy of two weeks after winning No. 20. Between the two wins, he failed in two starts before handing off Milwaukee on five hits for a 6-1 decision.

Closed to him in either league is Lefty Warren, Spahn of the Braves, who won his 18th Sunday.

Five of the other 10 hopefuls worked last night. Carl Erskine of the Brooklyn, Gerry Staley of the St. Louis Cardinals and Bob Feller of the Cleveland Indians all won their 16th games. Billy Pierce of the Chicago White Sox failed in his bid for No. 17 and Bob Lemon of Cleveland was beaten trying for his 18th.

Harvey Haddix of the Cardinals, pitching his first full season, goes after his 17th victory today against the New York Giants. The others with a chance all are in the American League—Mel Parnell of Boston and Virgil Trucks of Chicago with 17 each and Whitey Ford of New York and Mike Grel of Cleveland with 15 apiece.

Roberts' success last night enabled the Phillies to break even since the Braves took the second game 4-2. Brooklyn split a pair with Chicago, losing 3-1 and winning 6-5. The Giants beat the Cardinals 3-0 and lost 9-2. Cincinnati won two from Pittsburgh 2-6 and 9-4.

In the American League, the Yankees picked up a game on the White Sox and now lead by 9½. Secretary Dallas.

No Doubt Gavilan Is Slipping

By MURRAY ROSE

NEW YORK (AP) — There's no doubt that Walterweight Champion Kid Gavilan is slipping but the big question is how much.

Ralph (Tiger) Jones, the Yankee, N. Y., middleweight, will try to supply the answer tonight when he faces the 147-pound ch. mipsa in a non-title 10-round in Madison Square Garden. The 8 p. m. (CST) bout will be telecast coast to coast by CBB.

Gavilan is a 2-1 favorite but the rugged 255-year-old Negro is good enough to make the kid work for his money. Unbeaten in his last seven fights, Jones holds two wins over Danny (Bang Bang) Womble, who came up with the ring upset of the year May 2 when he defeated the overconfident Kid.

Since that loss, Gavilan has scored decisions over Italo Scorticini and Ramon Fuentes. He wasn't any ball of fire in either bout. The Cuban Flash, now 27, generally doesn't like to go all out unless the big chips are on the line.

Three Stars in Golf Again Emerge

By HUGH FULLERTON JR.

PROVIDENCE, R. I. (AP) — A few prominent feminine golfing names, which somehow had escaped their usual amount of attention during the first few days, popped up again today as the 53rd U. S. Women's Amateur Golf Championship got down to 32 players.

In the early excitement over such new stars as Marlene Stewart, Pat Lesser and Barbara Romack, the experts and galleries alike seemed to forget about the 1951 champion Dorothy Kirby and such rugged contenders as Polly Riley and Mary Lena Faulk.

Possibly that was because they haven't been playing frequently and the younger girls had more chances to win.

But as the girls went into the fourth round today, with the top-sided draw finally brought into balance, the chances of this trio looked very good.

Miss Riley, one of the few top-flight stars who had to play right through from the first round, could show victories by margins of 7 and 5, 6 and 4, and 5 and 3. And the last two were against a pair of very strong rivals, Edean Anderson and Pat Devany.

Legion to Play Barksdale Team Here Tonight

The Hope Legionnaires won the first game of the playoffs last night as they toppled Mineral Springs 4 to 1 at Mineral Springs.

Five runs on but two hits in the fifth was enough for the Legionnaires but they came back with single runs in the 5th and 6th and double runs in the 7th and 8th to round out the scoring.

Danz Stevens, winning pitcher, gave up 4 runs on 3 hits, struck out 8 and walked 11. Jim Hockaday, starter and loser, gave up six runs on five hits, walked two while fanning none.

The Legionnaires will take on the Barksdale Flyers tonight at Legion Field. Reeder Huddleston will be on the mound for Hope.

The Boxscore:

Three Stars in Golf Again Emerge

By HUGH FULLERTON JR.

PROVIDENCE, R. I. (AP) — A few prominent feminine golfing names, which somehow had escaped their usual amount of attention during the first few days, popped up again today as the 53rd U. S. Women's Amateur Golf Championship got down to 32 players.

In the early excitement over such new stars as Marlene Stewart, Pat Lesser and Barbara Romack, the experts and galleries alike seemed to forget about the 1951 champion Dorothy Kirby and such rugged contenders as Polly Riley and Mary Lena Faulk.

Possibly that was because they haven't been playing frequently and the younger girls had more chances to win.

But as the girls went into the fourth round today, with the top-sided draw finally brought into balance, the chances of this trio looked very good.

Miss Riley, one of the few top-flight stars who had to play right through from the first round, could show victories by margins of 7 and 5, 6 and 4, and 5 and 3. And the last two were against a pair of very strong rivals, Edean Anderson and Pat Devany.

NEW '53 PLYMOUTH

easy to look at!

All-new styling and balanced designing make the new '53 Plymouth a more beautiful car, and a more spacious car! Inside, there's more head room, more hip room, more leg room—in all, 12 more cubic feet of space for passengers and luggage!

easy to handle!

Plymouth's new HY-DRIVE lets you drive all day without shifting. Hy-Drive, the newest, smoothest, least expensive no-shift drive in the low-price field, gives you instant acceleration with whisper quietness. And you'll be amazed at the new Plymouth's ease of steering and parking!

easy to get in!

The new front seat in two-door models is divided 1/3-2/3—not in the middle. Rear seat passengers don't have to move a large, heavy seat section to get in and out, and they can enter and leave the rear compartment without disturbing passengers in the front seat.

And wait till you feel that truly balanced ride!

PLYMOUTH — Chrysler Corporation's No. 1 Car

It's easy to see why so many motorists say the new '53 Plymouth is the finest low-price car ever built! Why not visit your nearest Plymouth dealer soon, and let him show you all the new value features in this great new Plymouth? Your dealer will be happy to arrange a demonstration for you.

Hy-Drive is available at low extra cost on any 1953 Plymouth
